

Brand Licensing Success!

We would like to give a big thanks to everyone who took the time to visit our stand at the recent Brand Licensing Show at Olympia and for giving us the opportunity to present the Brit Chicks® and Some Girls® licensing programmes to you.

We received an excellent response to the brands over the two days and were very pleased with the interest and the enthusiasm shown by potential licensing partners, and retailers alike in the UK, Europe and beyond.

After the show we went straight to MIPCOM 2007 in Cannes where we spent a week aboard the Anjoulou presenting the first Brit Chicks® 3 minute animated episode to TV broadcasters and distributors. We are delighted to be able to report that we received very positive feedback and we will have further news to bring you on scheduling in the near future.
